Pierce County Housing Authority is opening the Housing Choice Voucher (Section 8) Waitlist starting September 17, 2018 to remain open until further notice!

The Housing Choice Voucher program increases affordable housing choices for low-income households and elderly, disabled, or veteran individuals by providing rental assistance on their behalf. The participant is given the freedom to choose any suitable unit within Pierce County Housing Authority’s jurisdiction. Rental units must meet minimum standards of health and safety, as determined by the HUD regulations.

All applications must be submitted online at www.pchawa.org

**PCHA WILL NEVER CHARGE TO SUBMIT AN APPLICATION**

Applicants will be drawn from the waitlist by random lottery. This means that applying early does not give you a better chance of being drawn. Paper applications will NOT be available without a reasonable accommodation. You may only apply once per household; duplicate applications will result in both being withdrawn. Everyone who applies will have the opportunity to be drawn in a future lottery.

To be eligible for a subsidy, applicant’s gross income must be less than the FY 2018 Very Low income limits:
