MUSTANG MISSION AND VISION

Our Mission - We are committed to creating a school where there are no limits to the academic and social success of each Student.

Our Vision - Every Student without exception or excuse will be proficient or advanced in reading writing and math.

PRINCIPAL’S MESSAGE

Our school has been very busy with student learning as we round out our fall months and will continue to be for the next couple of weeks as we gear up for conferences and holiday happenings. We look forward to having parents and teachers spend time discussing student work and progress and connecting with one another. If you find you are not able to make your scheduled time for conferences, be sure to contact your child’s teacher to find a time that works for both of you. It is vital for our school and our students’ success for parents and guardians to be actively involved in their child’s education.
VOLUNTEERS

We encourage parents to be actively involved in their child’s education. We have opportunities for parent and citizen involvement in classrooms, the library, after school activities, and special programs. Volunteers can even work at home on special projects. Contact your child’s teacher or the main office to see what opportunities might interest you. Volunteer applications are available online. You may apply at bethelvolunteers.hrmplus.net. This process usually takes up to 2 weeks so be sure to submit your application well in advance of volunteering. Please contact us to find out how you can be involved in your school. We greatly appreciate all you do to help make this school a great place for your children.

ATTENDANCE MATTERS!

Roy Mustangs are working hard to achieve 100% attendance all day every day!

COUNSELOR’S CORNER

Dear Mustang Families,

My name is Valerie Walston. I am joining Mrs. Cox to create a two person counseling team. I graduated from the University of Puget Sound with a Master in Education in Counseling. I live in Tacoma with my husband, two daughters, and two dogs. I enjoy spending time with my family and friends, gardening, and listening to audio books. My schedule at school will be Monday- Friday 8:15 A.M. to 3:45 P.M.

Excited for this year, Valerie Walston, M.Ed.

My school number is 253-683-5178 and email is vwalston@bethelsd.org
RECESS

Recess is 25 minutes daily. Recess is an opportunity for students to get physical activity, socialize, and revive their academic focus for the remainder of the day. Generally, it is assumed that students will be outside for recess when the temperature combined with the wind chill is not less than 20 degrees Fahrenheit. Children with certain health conditions may need special accommodations during extremely hot or cold weather. Please be sure your child wears appropriate clothing to be safe in all weather conditions.

MONTHLY AR TOP SCORES!!

For the month of October we have a 2nd or 3rd grader along with a 4th or 5th grader top AR point earner. They are
2019/20 STUDENT/PARENT HANDBOOK

We’ve updated our handbook for the 2019-20 school year. You’ll notice a few changes to previous policies as we respond to our student needs and bring in programs to support all learners. You can find our Handbook on our website under resources and all families received a pdf version via Skyward Messenger this week. Together we know we are a powerful team in supporting all our Mustang learners! We appreciate your support in knowing our school policies and adhering to them.
