

Parking Lot & Parent Drop-off/Pick-up

The speed limit on campus is 5 mph. Please remember... we have an average of 250 cars dropping off each morning and picking up each day. As always, courtesy and patience should be practiced daily. Student safety is our top concern.

Several teachers can be found in front of the school with a clipboard at dismissal time. If you are picking up your child after school, please make sure you notify one of these teachers for check-off. Last minute parent pick-up requests will require parents to sign students out in the office at dismissal. Or, in case of an emergency, please call the office at 683-7900. Valid picture ID is always required.

Plan your transportation before sending student to school
Write a note to send to school and have student give to teacher 1 st thing in the morning (Students tend to stress when there is a change)
Verbal communication with student is NOT recognized - Office must have a written note to make any changes or the student will be sent home by their regular transportation method
Forgot Note? Email ep_office@bethelsd.org
EPSOC K-8 office staff will not take dismissal changes after 1:00 PM daily
