

Volunteerism

Volunteer Sign In/Sign Out Procedures

As part of the application process to Elk Plain School of Choice K-8, parents agree to volunteer at school. EPSOC K-8 welcomes parents, grandparents, guardians, and extended family to visit and volunteer at our school, help in classrooms, and ask questions. **Before you can volunteer, the district requires that you have a current Volunteer Application on file.** Your application is good for two years and will need to be renewed to allow you access to the fun.

[To register go to bethelvolunteers.hrmplus.net.](http://bethelvolunteers.hrmplus.net)

Our web-based volunteer program will log your hours after each visit/entry. This program will generate automatic emails regarding your annual volunteer commitment (6 hours per month for Kindergarten families and 15 hours per year for 1st through 8th grade families). Volunteer hours outside of the school building hours may be entered online through your home computer at volunteeratschool.com.

Volunteering-at-a-Glance

Sign in and out in the office first

No cell phones

Volunteers are role models - Please follow the EPSOC K-8 dress code and behavior guidelines.

15 Hours per year for Grades 1-8 per student; 6 hours per month for Kindergarten per student

Parents wanting to have a discussion with a staff member need to set up an appointment with the teacher
