Thompson Elementary 'No Excuses' Philosophy:

No Excuses! At Thompson Elementary we educate every child so that they are prepared to go to college if they choose.

What does this mean for my child? Each child is held to an extremely high standard of performance academically and behaviorally. Students, and parents, will have clear and direct communication about these expectations at the beginning of the school year and throughout the year. To show our college spirit, each class selects a college to represent. On Fridays students can wear a shirt from that college or the colors of that college. Additionally, each classroom has a 'College Cheer' that students recite at the beginning of each day. Finally, students recite the Tiger Pledge at the beginning of the school day.

What does this mean for parents? Parents are the most critical indicator of success for students. We **NEED** your active participation and your support! Make sure your child is at school each day, ready to learn. You can expect to hear from your child's teacher directly. Tell the teacher how best to contact you (Phone, note, text, email). Each day, ask your child what they learned in school. Do **NOT** accept "I don't know" or "Nothing"! Also, ask your child about which college they will attend. What will they study? What is the plan for their future? These small moments and conversations add up over time into a powerful message for your child's path to college and beyond. Remember, you are your child's first teacher and we are proud to work alongside of you for your child's success.

School Office Information

Thompson elementary office hours are from 7:45 am until 3:15 pm. If you would like to contact a member of our staff outside of these hours please call the school at 683-5800 and leave a message for that person on the school answering machine.

If you need to contact the teacher during the school day, the best way is by sending an email. If you call the school, you will be transferred to the teacher's voicemail. This helps avoid disruptions to the learning environment. Each teacher will ask you how best to contact you. Please let him/her know.

Health Room

Students come to the health room for a variety of minor injuries or ailments. In the health room, students will be given ice packs, a bandage, or have their temperature taken when feeling ill. Office personnel staff the health room, with a school nurse on call if needed. Parents will be notified with a note/phone call as needed for injuries or concerns if the health clerk deems it necessary. Office staff members are not allowed to “treat” a student illness or diagnose illness in any manner.

Typical health room concerns:

- Fever – if a child has a temperature of 100.4 or higher they **MUST** be sent home. Temperature should be normal for 24 hours before returning to school.
- Vomiting – Parents will be contacted and the child will be sent home if they vomit at school.
- Head Lice/Nits – Bethel School District has a “no nit policy”. This means that students with head lice (live or nits) will be sent home and will be checked upon return to ensure there are no nits before returning to class.
- Head injuries – if your student has a head injury, you will receive a phone call from the Health Clerk. This is precautionary step to inform you of the injury.
- Potty Accidents – the health room has a limited supply of clothing. If you think your child may have an accident at school please keep extra clothing in their backpack. Students that get wet from playing at recess will need to call home for a change of clothing.
- Medication – ALL medication is kept locked in the health room including over the counter medication such as cough drops or Chapstick. In order for a student to use medication at school the nurse must have an Authorization for Medication at School form filled out by the doctor and parent. The medication must have the prescription label on it.

*****If your child has a life-threatening illness or allergy, medication and an emergency care plan from the school nurse must be on file BEFORE he or she can start school.*****

GENERAL INFORMATION

STUDENT CELL PHONES: Students may bring cell phones to school provided they are kept in the students backpack and turned off.

GUM: Gum is not allowed at school or on the bus.

TOYS: Students are not allowed to bring toys or other personal items to school without written permission from the teacher. Permission may be granted for academic purposes only. These items are not allowed on the playground:

This list may not cover everything that may be disruptive at school. Any issue or activity brought to our attention will be dealt with based upon the merits of each incident.

STUDENT PARTIES AND BALLOONS: The school should not be used as a means of distributing private party invitations. If your child would like to bring invitations to school they may hand them out before and after school or at recess. Balloons and flowers will not be delivered to the classroom for two reasons: they are a disruption and they are not allowed on school buses.

LOST AND FOUND: Please make sure all items of clothing, bags/backpacks and lunch boxes are marked with your child's name. Properly identified items are much easier to return to students when found. The lost and found is located in the cafeteria. During conference week we display all items left in lost and found. Unclaimed items are taken to charity on Friday afternoon of conference week.

LANGUAGE: Profanity or vulgarity on school grounds is prohibited. Verbal abuse between student or student-adult will not be tolerated. See Progressive Discipline Procedure for specific consequences.

FIGHTING/VIOLENT PHYSICAL CONTACT: Physical altercations at school are not allowed. Students can be suspended for fighting or biting. Each incident will be investigated on an individual basis to determine the cause and action required.

RESPECT/BULLYING: Students are expected and taught to refrain from intimidating or bullying another student verbally, physically or through written or technological means. This includes on school

grounds, school transportation or school functions/activities. Cases of bullying are to be reported immediately to the school Social Worker, Chelsea Rambo. The Social Worker will investigate the incident to determine the nature of the behavior and report details to administration and parents. Administration will then determine consequences or supports needed and report these to the parents involved.

SCHOOL PROPERTY: Students are not allowed to climb fences, building roofs, bus safety rails or stand on benches. This includes during the school day and after school. During recess, if a recess ball should go over the fence students will tell the supervisor.

HOMEWORK

Homework is a continuation of classroom learning. Your student's teacher will communicate the specific homework expectation, criteria and scoring within the first month of school. If you have questions about homework (specific activities or in general) contact your child's teacher immediately. They will support you to help your child with homework.

PARENT TEACHER CONFERENCES

The school year is divided into two reporting periods. Parent-teacher conferences are scheduled during the first and the second semester to give parents/guardians an opportunity to speak with your child's teacher and look at the student's work.

It is important for you to attend the scheduled conference to discuss your child's progress. We want to work as a team and these meeting will inform you of your child's current progress toward benchmark in reading and math. If you are unable to come to the meeting, contact your teacher to arrange a phone conference.

HOME VISITS

We do not make excuses for children not being successful at Thompson Elementary. Sometimes this means that we will come to your home to share very important information or to make contact

with you in regards to your child being successful. We will attempt to contact you to arrange these home visits, but if we cannot contact you, we will come to your home to make contact with you about your child's progress or needs.

SCHOOL SAFETY

ENHANCED SECURITY SYSTEM: During school hours the doors are locked and entry is available only through main entrances. Parents and visitors will have to press a buzzer outside the school and show identification. School staff will then use a camera and intercom system to help identify visitors and grant access to the school. If you do not have ID (driver's license, ID card, etc.) you will be asked to return when you have identification. Please see district policy and procedure 6609 for more information.

VISITORS: We welcome parents to visit class any time during the school year. Please contact the classroom teacher directly to set up an appropriate time. Staff and students should feel that the school and work environment are safe and not hostile. All visitors to school property shall comply with all school board policies while on campus and conduct themselves in a manner that is not disruptive, threatening or abusive. Please see district policy and procedure 4200 for more information.

School age children that are not enrolled in should not be on school grounds during the school day unless accompanied by their parent or guardian due to liability issues. The principal at his discretion can grant special visitation.

EMERGENCY DISMISSAL: In rare instances it is necessary to dismiss students early. It is important for families to have a plan before it is needed, as we may not be able to alert parents before dismissing students. Please make sure that all contact information is current and up to date with the office.

WEAPONS: Weapons or anything that can be used as a weapon is not allowed at school including toy knives and guns. Weapons at school will be reason for suspension. Students are expected to immediately report any weapon to any adult at school. Please see district policy and procedure 3249 for more information.
