

BHS Advisory

11th Grade Student Led Conference Packet

General Information

- Student Led Conferences will take place on May 21, 22, and 23
- **All** students will have a conference.
- Students who have **complete portfolios, passed 1st semester of Advisory and are passing 2nd semester of Advisory** will present a Student Led Conference.
- Students ***who do not have complete portfolios, have not passed 1st semester of Advisory, and are not passing 2nd semester of Advisory will have a parent/teacher/student conference*** to discuss grades and plans for your education.
- Students who do not successfully complete their SLC on time will need to make arrangements with their current Advisory teacher and/or counselor to earn their Advisory credit.
- **Student Led Conference Preparation**

Prepare Your Multi-Media Presentation

- Use the categories and questions on the SLC rubric to write an outline for your presentation.
- Use the questions on the SLC rubric as guiding questions to help you cover the information in each category.
- Show documentation in your portfolio and Advisory/Xello assignments to help cover the information in each category.
- Include pictures, music, artwork, projects, and/or video in your presentation.
- Your PowerPoint slides should state the main ideas only. Use note cards to remember what you are speaking about or what you are showing from your portfolio.
- Prepare to present for about 15 minutes and allow about 5 minutes for questions from your Advisory teacher and/or guest(s).

Dress and Behave Appropriately

- Look and act like a professional.
- Wear business or dress clothes.
- Speak with expression.
- Face your audience and make eye contact with your audience.

Be Polite

- Begin your presentation by introducing your parents/guardian/guest to your Advisory teacher.
- End your presentation by thanking your audience for taking the time to attend and for any other help they have provided.

Practice, Practice, Practice

- There will be time to practice your SLC during Advisory class.
- You should also practice on your own. Practice with a friend, sibling, or parents.

Be Prompt and Prepared

- Make sure you arrive on time for your SLC and have all of the materials you need (portfolio, note cards, slide show, etc.).
- If you are using your Advisory teacher's computer, make sure ahead of time that you can open your slide show on their computer.

Be Passionate

- The SLC is all about you!
- This is your chance to share who you are, your accomplishments, what you want to get out of school, how you have grown, what you have learned, and what you want to do after high school.
