

Culminating Project

Bethel High School
Bethel School District

Why?

- To showcase what you have accomplished during high school and your plans for the future.
- Required for graduation by Bethel School District

What?

- A minimum of 8 hours of Community Connection (4 hours) Job Shadow **related** to your post-secondary goals.
- A culminating project paper reflecting on how your community connection has impacted your post-secondary plan.
- An oral presentation with a multimedia component to show how you have grown during high school and what you are going to do after graduation.

Project

2. Project

- Complete and document a minimum of 8 hours of community connection and/or job shadow.
- All 8 hours **must** relate to your personal goals and your future career and/or college plans.
- Community Connection hours must be completed by the due date.

Paper

3. Paper

- A 2-5 page reflective paper on how your community connection experience has impacted your post-secondary plan. Be sure to include:
 - A description of your community service experiences and how these experiences have impacted you and the community.
 - An analysis of how the community service experience relates to your post-secondary plan.
 - A meaningful link between experiences and self.

Portfolio

- You will complete your portfolio on Xello.
 - Collection of evidence documenting skills, knowledge, experiences, accomplishments throughout high school.
- Your portfolio is the framework for your presentation.
- Your portfolio must be complete before scheduling your presentation (SLC).

Presentation

4. Senior Presentation

- Senior presentations take place during student led conferences in the Spring.
- Your presentation (student led conference) will be a 15-20 minute oral presentation that includes a multimedia component.
- Your presentation will cover your community connection hours, how you have grown during high school, and what you are going to do after graduation.
