Progress

- Student progress is monitored weekly. Student monthly progress is at the discretion of the certificated teacher based on monthly evaluations and the students’ ability to complete the required learning objects for that month.
- If a student fails to make collective progress monthly progress is deemed unsatisfactory. Student monthly progress is specifically evaluated against progress objectives, which are clearly defined in the course for each month.
- In addition to the course schedule, these learning targets may also come in the form of lesson, unit, assignment and/or assessment completion dates.
- These established progress-learning targets will allow teachers and students to assess the students’ educational progress in meeting the course learning standards.

Grading Scale: (Progress reports will be done monthly)
