MISSION AND VISION

Our Mission- We are Committed to creating a school where there are no limits to the academic and social success of each Student.

Our Vision- Every Student without exception or excuse will be proficient or advanced in reading, writing, and math.

PRINCIPAL’S MESSAGE

It is so hard to believe that we are almost to the middle of February already. With report cards going home this week it’s a clear sign that we are halfway through the school year and well on our way to the 100th day of school. I hope you’ve all had a great start to 2020 and look forward to drier, warmer weather coming our way. It’s been great to experience the kick-off of our Watch DOG program at Roy. Thank you to all the father figures that have stepped up and signed up to spend a day with our students. It’s not too late to contact the school and sign up if you missed our kick off event. Thank you also to Charlene Stearns and Marquise Avinger our fearless staff members who head that program. Lots of tireless hours have gone into coordinating the many pieces we see in action. We look forward to seeing our Watch DOGs in action as the year continues. Whether it’s patrolling the hallways, giving high fives during arrival time, or reading with our students, your impact on our students has been enormous.

**AN EXCERPT FROM OUR FAMILY HANDBOOK**

As we continue our focus on attendance this year it’s helpful to keep in mind our early dismissal of students policy. In order to minimize disruptions to the classroom, the early release of students should be limited to emergency situations and unavoidable circumstances. Parents are asked to avoid scheduling non-related school activities that...
conflict or interfere with Roy's regular dismissal times. Students may not be released from the office after 3:20pm. Once dismissal starts, your child will depart as scheduled. In order for your child to be released to anyone other than the parent/guardian that person MUST be listed on the student pick-up authorization form and present photo identification.

LIBRARY UPDATE

Mustangs Love to Read is continuing through the month of February. All Roy students have the chance to earn a FREE book to KEEP by taking and passing an AR test this month. Nearly 100 students have already earned their book. Keep up the amazing reading, Mustangs!

MEET THE STAFF MEMBER

MRS. TAYLOR

Mrs. Taylor is new to our building this year and new to her position. She has been a classroom teacher for 16 years in the Puyallup School District. We are so lucky to have her. An interesting fact about Mrs. Taylor is her first job was as an ice-cream truck driver. You will likely see Mrs. Taylor in the Library or out in Parent Pick Up in the afternoon. When she is not at school, Mrs. Taylor can be found reading, watching musical theater, or going to a comedy show.
