SPANAWAY LAKE'S MONTHLY FAMILY NEWSLETTER

DECEMBER 2019

Sentinel Families,

The first trimester flew by! We at SLHS are here to support you and your students as best as we can. Always feel free to contact us with any questions, concerns, OR additional information needs. We strive to increase communication between school and home. As the mom of a senior in high school, I am especially mindful of communication for seniors. If your senior has not received the list of important senior dates, you can find it on our website: <https://www.bethelsd.org/Page/2835>. (Susie Askew, Principal)

COUNSELING

Senior families, don't forget to do your FAFSA or WASFA! Follow one of the links below:

FAFSA - <https://studentaid.ed.gov/sa/fafsa>

WASFA - <https://readyssetgrad.wa.gov/wasfa-washington-application-state-financial-aid>

Also, save the date for our next Coffee Chat on December 17th for a parent senior meeting. A school counselor, Josten's representative, Family Resource Coordinator and head principal will be present to answer any questions you may have. In addition, we will discuss important senior dates, available resources and what you need to know for graduation. Starbucks coffee will be provided.

Monitoring your student & Family Access:

Be sure to check your child's grades on Family Access, and communicate with your student's teachers with any questions or concerns. If you need your login for Family Access, call 253-683-5600 to get your login and password.
