Family and Student Access

“Login information may be obtained from the main office of your child’s school.”

~ Darci C., parent

Skyward Mobile allows you to access information (view only) stored in Skyward’s School Management System using any mobile device. As a student or guardian, you may use Skyward Mobile to access Student and Family Access to view student information, such as your student’s attendance and discipline records. Skyward Mobile helps you play a more involved role in your student’s education—even when you’re on the go.

We encourage all parents to download the Skyward Mobile app by following the normal process as designed by your provider.

To determine if your mobile device is compatible with this app, please click the following link: http://www.skyward.com/Page.ashx/Products/Mobile-Solutions/Mobile-Access.

Important:
Please make sure that your email address in Family Access is correct. Your email address is used to email your password (if you forget) and to send and request information. You may update your email address once you log in to Family Access by clicking on “MyAccount.”

Security Notice:
Each guardian and student has their own unique Login ID and Password.

Login ID and Passwords are not to be shared between users.
We welcome you to Family Access and hope that you will find this electronic application helpful in working with the district to provide the best education possible for your child.

There is no need to wait until parent-teacher conferences to get valuable information. Family Access provides easy access to up-to-the-minute information about your child's academic progress and attendance. Staff email addresses are readily available so parents may contact teachers or other staff with questions or concerns about a student's performance.
