2020 Summer School Information

PCSC Summer School is open to incoming 9-12 grade students from the following school districts: Bethel, Eatonville, Enumclaw, Fife, Franklin Pierce, Orting, Puyallup, Steilacoom, Sumner, Tacoma, University Place, White River, and private and home school students.

Enrollment:
- Enrollment begins May 1 on a first come, first served basis. Applications will be available no later than April 10.
- Students may be placed on a waiting list once classes are full.

Class Time: 7:45 a.m. - 2:45 p.m. for all sessions
Session 1: June 29-July 17, Monday-Friday (No class July 3)
Session 2: July 20-August 6, Monday-Friday

Lunches (1/2 hour):
Summer School has open campus. Students are responsible for their own lunches. There is no microwave available to students. Attendance is taken again after lunch.

Tentative Summer School Locations: Sites to be determined, but may include: PCSC, Bethel SD, Eatonville SD, Fife SD, Franklin Pierce SD, Steilacoom SD, Online

Note: Classes offered will differ from site to site.

Transportation: Students are responsible to provide own transportation to and from summer school classes.

Students registering for an online class are required to attend an orientation session with the instructor prior to the first day of class. Information will be mailed once the application is received.

Fees: There are no fees for PCSC Summer School.

Attendance: Students may not miss more than three days of class per session (including tardies – 3 tardies=1/2 day absence). Students must attend the first day of class or they will be dropped and their spot filled with a student on the waiting list.

Classes: .5 credits per session. Students who stop attending will receive an F on transcript. Summer School classes factor into GPA. Students may register for only one class per session – NO EXCEPTIONS!

Applied Math Classes
School counselor or administrator must sign off on the Applied Math Approval Form for students registering for math classes. Applications for applied math classes will not be accepted without the signed math approval form. Applied math classes are not NCAA approved. Not all districts accept applied math as a credit equivalency. It is the student's/parent’s responsibility to contact the school counselor regarding applied math classes.

Courses/locations are subject to change based on enrollment.

Confirmation letters will be mailed home the week of June 1st with site/class/room information.

A complete list of summer school classes is being finalized and will be posted on the PCSC website by mid-March.
Please visit our website at www.pcskillscenter.org and click on “Summer School” for more information.
