PSAT DATE: Wednesday Oct. 11th, 2017 @ BHS. This is a Pre-SAT test specifically for juniors; however, if space is available, sophomores are welcome to take the test as well. The cost is \$16 which is a bargain for a practice test with scholarship implications. College Board provides fee waivers for students in 11th grade that qualify for free and or reduced lunch. See your counselor for more information.

ASVAB (Armed Services Vocational Aptitude Battery) TEST DATE: Oct. 24th - sign up list will be in the Career Center. The ASVAB is a free career exploration test that will assess your reading and math skills as well as your aptitudes. This is a great test to take if you are not sure what you want to do after high school. It is also a great opportunity to prepare you for other standardized tests. You may sign up for this test in the Career Center.

COMPASS & ACCUPLACER TEST: Both are entrance exams for technical and community colleges. Most colleges will accept one or the other. Both are a computerized adaptive test that measures skills in reading, writing and math to determine readiness for college-level courses in these areas. The compass test is not given here at BHS, so you will need to contact the college you are interested in to arrange a test session. We offer the Accuplacer to **SENIORS** here at **BHS for FREE!** You will need to schedule a testing day with Mrs. Hodges in the Career Center.
