

LIVE TEACHING SESSION – This is two-way, real-time instruction that requires students and teachers to present at the same time, virtually. Students will connect via Zoom and will complete lessons and activities assigned by the teacher in Canvas or Edgenuity.

INDEPENDENT LEARNING – Is teacher-directed, self-guided student instruction that does not require all participants to be present on Zoom at the same time. Students are expected to access and complete teacher-assigned lessons and activities in Canvas or Edgenuity. Teachers will be working with small groups of students and providing targeted small group instruction.
