

Boundary Review Committee Agenda 10/3/2018

Welcome and Purpose

- Identify schools in need of boundary adjustments to alleviate overcrowding.
- Adjust catchment areas to utilize the few remaining locations for portable classrooms.

Introductions

- Our team is comprised of a principal and parent from each school as well as some district office representatives that will help facilitate the process.

Committee Operating Principles

Timeline

- The Committee will meet twice in October and twice in November. Additional meetings will be added based on need.
- The committee will provide a recommendation to the School Board for the December meeting.
- Communicate any school boundary revisions to the community by February 1, 2019.

Current Conditions – Stories from the Field

- Shining Mountain Elementary – Paul Marquardt
- Bethel High School - Christy Rodriguez
- Graham Elementary – Amy Low
- Clover Creek – Sara Olsen
- Graham Kapowsin High School – Matt Yarkosky

Impact of Overcrowding

- Common areas such as cafeteria, gyms, and bathrooms
- Elective offerings and scheduling of specialized spaces
- Parking, parent pick-up, and bussing
- Inability to utilize K-3 reduction money
- Class size
- Specialists and their teaching space
- Wear and tear on the building
- Safety and Security
- Portables
