

Boundary Review Committee Agenda 10/30/2018

Purpose: *To identify schools in need of boundary adjustments to alleviate overcrowding and adjust catchment areas to utilize the few remaining locations for portable classrooms.*

Welcome

Review of minutes and questions

- Google documents folder

Special services and programs that could be impacted

- Program locations around the district and philosophy behind placement
- Transportation considerations

Current Population and 3-5 year projections

- Review capacity projections for 2018 through 2020

Identifying the Problem

- Using the conversation from our last meeting and the capacity projections we have just reviewed for the next 3 years, work with your small group to identify 5 areas of concern that need to be addressed as we move forward with our work. (25 minutes)
- Large group debrief/discussion (20 Minutes)
- Next steps
