

# Boundary Review Committee Agenda 11/14/2018

**Purpose:** *To identify schools in need of boundary adjustments to alleviate overcrowding and adjust catchment areas to utilize the few remaining locations for portable classrooms.*

## Welcome

- Approval of Minutes
- Website vs. Google Doc
- Bond Update
- Next Meeting – Monday, December 3 @ 10:30AM

## Report on Long Range Facilities Task Force

- Goals and Overlap with Boundary Revision Committee

## New Homes and Developments in the District

- Planned and currently for sale

## Review of Identified Areas of Concern

- Student Safety and Infrastructure
- Shining Mountain Elementary
- Clover Creek Elementary
- Graham Kapowsin High School
- Graham Elementary

## Process for Adjusting Catchment Areas

- Spring Board Plans

## Remedies (Small Group)

- Taking into consideration the identified areas of concern and the information presented to you regarding new housing, have a discussion about possible remedies. Possible remedies may include:
  - Shifting of student population from one building to another
  - Addition of portable classrooms
  - No action
- Also an opportunity to add individual insights and concerns that are associated with your represented areas.
