

Boundary Review Committee Minutes

11/14/2018

Welcome and Purpose

- Dr. David Hammond, Assistant Superintendent of Elementary Schools, welcomed all committee members and gave a brief overview of the agenda.
- Dr. Hammond reviewed the purpose of the meeting: *To identify schools in need of boundary adjustments to alleviate overcrowding and adjust catchment areas to utilize the few remaining locations for portable classrooms.*

Review of minutes and updates

- Minutes from previous meeting were reviewed and approved.
- All documents from the Boundary Review Committee will be placed on the district website
- Bond update; slight chance of approval, still waiting for final numbers
- Next meeting is Monday, December 3 at 10:30 AM

Report on Long Range Facilities Task Force

- Cathie Carlson, Director of Construction, gave an update on the Long Range Facilities Task Force and addressed the overlap with the Boundary Review Committee

New Homes and Developments in the District

- Cathie Carlson reviewed the Metro Study which identified new homes that are planned and currently for sale

Review of Identified Areas of Concern

- Dr. Hammond reviewed the top five areas of concern that were determined during small group work at the previous meeting:
 - Student Safety and Infrastructure
 - Shining Mountain Elementary
 - Clover Creek Elementary
 - Graham Kapowsin High School
 - Graham Elementary

Process for Adjusting Catchment Areas

- Karen Campbell, Director of Transportation, reviewed the process of making boundary adjustments and creating Spring Board Plans

Remedies (Small Group)

- The Committee was divided into small groups to discuss possible solutions along with individual insights and concerns associated with specific areas.
- Dr. Hammond facilitated a large group debrief regarding the small group work. Facilitators will email possible solutions to Kelley Boynton, Executive Director of Elementary Schools.

Closing Remarks

- Dr. Hammond closed the meeting.
