

**Camas Prairie Elementary Parent Involvement Plan**  
2016-2017

The goal for all Bethel School District students is to increase achievement and close learning gaps. We believe that it is critical to partner with parents to foster student success. Therefore, we support Epstein's six types of parent involvement:

- Parenting
  - *Through family workshop activities*
- Communication
  - *Parent phone calls, quarterly progress reports and parent conferences.*
- Volunteering
  - *PTA, classroom volunteers*
- Learning at home
  - *Materials and information from family nights, Title I Parent events*
- Decision Making
  - *Site council meetings*
- Collaborating with the community
  - *Bethel Family Summit*

The Title I/LAP program primary focus for the 2016-17 school year is to increase parent involvement through the participation in parent conferences, family events, and other parent involvement activities.
