Summer season Weight Room and Athletic Trainer - HS Only

For each school year, each elementary is granted an annual budget of \$5,593 or \$8,526 for stipends for activities involving student participation. Examples are, but not limited to, yearbook, athletics, games, science club, art/music/game clubs, play, drama and theater. All staff shall have the opportunity to recommend and prioritize activities eligible for stipends. The site council and principal shall have the final approval of the activities, stipend amounts and duties.

Each elementary shall have a plan for their stipend allocations submitted by November 1 of each school year.
